SEI Project #:

Client/Sponsor:

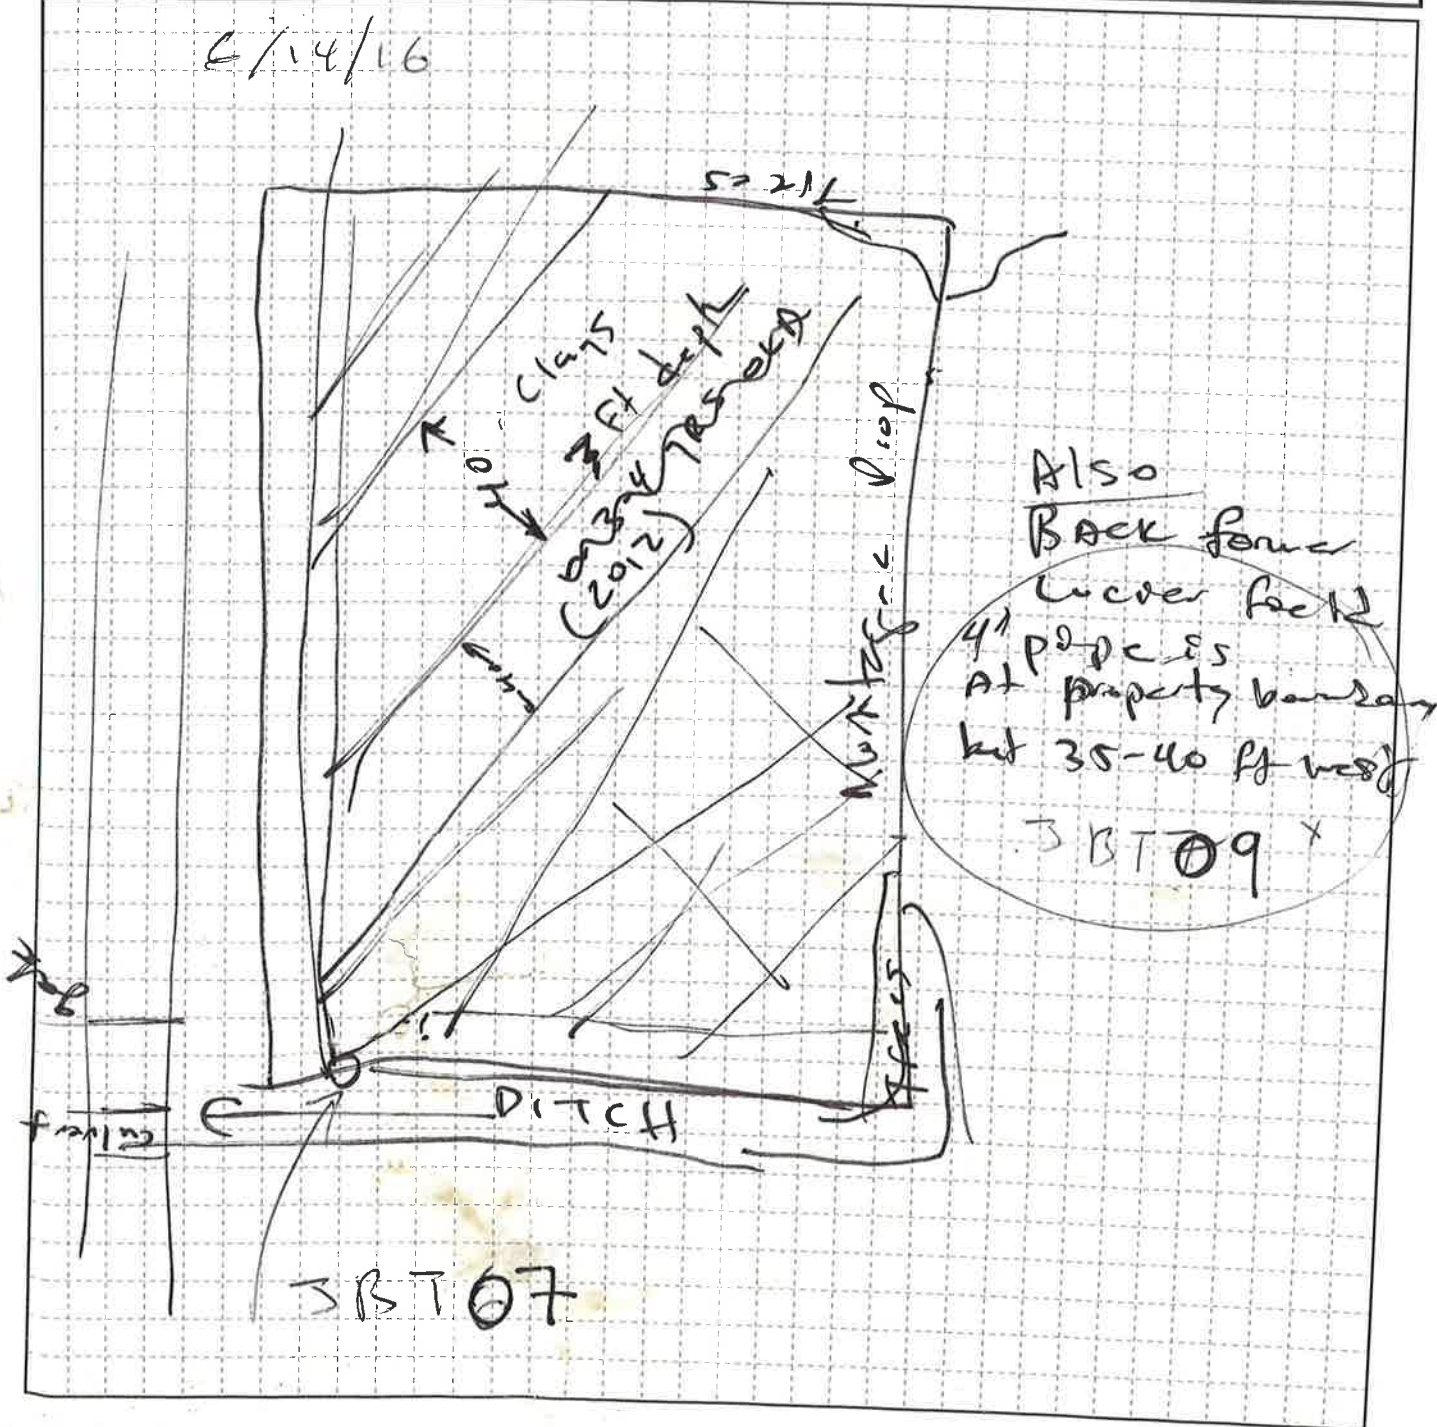

- BT 15 6/14/16 11:50
- 8 miles of tile, 40,000+ ft of tile installed this spring
 - Corn
 - 6" outlet, 4" laterals the length of field
 - System tile at ~25 ft spacing, not completely uniform because needed to offset lines next to previous ditches
 - Field was laser leveled and ditches between beds were filled in. Field used to consist of 6 beds with ditches the length of field between beds
 - trucking now
 - access excellent
-
