

# Fantasy Kingdom Amusement Park

Hilltop Giants' Castle

The Pumpkin Restaurant

Main photograph: "The Homes of the Three Little Pigs." All photographs courtesy of the Lavin Candy Company.

During the early 1960s, a fairy tale village was constructed in the wooded area to the east of this exhibit. The village led from the *Hilltop Giants' Castle*, past the *Homes of the Three Little Pigs*, and down to the beach to *Captain Hook's Pirate Ship*. Little remains today except memories. The park was created for the wonderment of children by the imagination of local business persons Robert Duley and Norman Dame.
